That the Confederate Veterans attending the reunion, the sponsors, and the other visiting ladies, will be tendered an entertainment on a large scale on some evening during the great gathering there is now no doubt, and only the details are to be arranged. It was his idea to entertain the visitors after his regular business of the reunion had been concluded. This was promptly done by the election of the following officers: President, Mrs. E. D. Hotchkiss; Vice-President, Mrs. Stephen Putney; Secretary, Mrs. John T. Hughes; Treasurer, Mrs. John T.
